## Lambda Epsilon Chapter

*The Lambda Epsilon City-Wide Chapter of Kansas City, Missouri has made a positive impact on the community at the University of Missouri - Kansas City during their 2018 Delta Week through a financial literacy event, under the Economic Development Programmatic Thrust. Hosting events centered on Economic Development is increasingly important as young college students get older and develop more financial responsibilities.*

*The event was titled “Money Talks”. The goal of this event was to educate the community and campus on the importance of saving, how to choose the best bank, how to choose the best credit card, making smart repayments of loans, and increasing everyone's overall financial literacy.*
