

# ADVISOR OF THE YEAR

## Tyna Price

Iowa City Cedar Rapids Alumnae Chapter  
*Advisor to Delta Chapter*

*The work of Delta Sigma Theta can be challenging at times however, the Delta Chapter on the campus of the University of Iowa is blessed and forever grateful for their advisor, Soror Tyna Price. Drawing from her experiences, she spoke on multiple panels for the Fraternity and Sorority Life (FSL) Leadership Course and maintained outstanding relationships with the greater University of Iowa's campus community. Serving on this panel was of extreme importance to her as she sought to ensure the Delta Chapter increased its involvement and visibility in the community.*

*In addition to serving as advisor, Soror Price is a trained Delta Internal Development facilitator and State Coordinator. Her contributions to the campus, Delta Chapter and the Central Region show exactly how much she is deserving of this prestigious recognition!*
