

Regional Representative Award

Jayda Jones

It gives me great pleasure to honor an amazing collegiate soror who lives out the true meaning of hard work and sisterhood. This soror has raised her hand to lead and has done so with distinction. She always brings innovative ideas to the table and is always willing to volunteer. Please join in congratulating Soror Jayda Jones, member of the Lambda Epsilon chapter and Missouri State Facilitator, as the recipient of the 2019 Regional Representative Award
