

# RED RIBBON- SMALL CHAPTER

## Leavenworth Alumnae Chapter

The Leavenworth Alumnae continues to thrive in their community by providing great programs and activities that meet the needs of their service area. They have truly built relationships by serving.

They participated in the summer Post Activities Information and Registration (PAIR) Day at Fort Leavenworth, Kansas, as an opportunity to introduce themselves to the community and to provide information about the chapter's mission and activities.

They also had the opportunity to partner with St. Luke's Cushing Hospital during their Health Festival, which promoted healthy lifestyles through nutrition, exercise, and personal care.

They were provided a monetary donation to the Alliance against Family Violence which is a non-profit organization dedicated to facilitating and empowering positive change in the lives of those affected by domestic and sexual violence, child abuse and neglect.

This chapter has made some major accomplishments this year and implemented programs that had not been executed in years. A true reflection of a Red Ribbon Chapter!
