

Website of the Year

Epsilon Psi Chapter

The Epsilon Psi Chapter takes great pride in their website, www.epsidst.com, and is always working to make it better for their visitors. The website is a place that many potential members look to for more information on the chapter, therefore, all attempts are made to be as thorough as possible to give all the information that is needed. The website was updated to inform, enlighten, and catch the eye of any visitor that comes to the website. The homepage also serves as a welcome page which includes the chapter logo, a small blurb about the chapter, a link to the President's welcome and current chapter leadership. The content of the website is organized and concise. Visitors can find general information about Epsilon Psi history as well as National history. Navigation through the site is simple. The tabs are clearly labeled and tells you exactly what to click on to find what you are looking for.
